

**Small
Group
Member
Evaluation**

Small group gatherings should be something you look forward to – a highlight of your week! Please take 5 minutes to provide feedback and return this to your group leader(s). Please be honest and practical. We will discuss the results at the next meeting.

1. What's working in our group?

2. What's not working in our group?

3. What's next for our group?
